Auction Bidding

As each animal enters the ring, the auctioneer will ask for bids in cents per pound. By consulting this auction book, you will have a rough idea (by multiplying the weight times the price per pound) of the price of the animal. If you wish to bid on an animal, raise your buyer number. If there is anything you don't understand about the bidding, ask one of the ringmen to assist you. The bidding continues until a high bid is reached. Going Once, Going Twice, SOLD to the highest bidder.
