

# RAMONA JUNIOR FAIR

Dear Community Member,

In late summer, for decades, youth from 4-H, FFA, Grange clubs, and chapters throughout San Diego County and Southern California have gathered in Ramona to exhibit their knowledge and commitment through multiple facets at the annual Ramona Junior Fair. Whether it be livestock, equestrian, or even home and industrial arts, the Ramona Fair gives school-age exhibitors a chance to showcase their skills.

In order for the Ramona Junior Fair to be successful, dedicated volunteers fundraise year-round to support all of our events. With donations from individuals and local businesses in the community, we are able to host one of our largest fundraisers, the After Auction. On the last day of the Ramona Junior Fair, following the Livestock Auction, bidders are encouraged to stick around for a fun and engaging auction of donated items and services.

We need your help! We are looking for donations of goods, services, experiences, etc. to contribute to our 2026 After Auction to be held on **Saturday, August 1st** at 431 Aqua Ln Ramona, CA 92065. All proceeds from the sales of donated items go towards funding youth programs, scholarships, awards, and the successful development of the Ramona Junior Fair for years to come.

We appreciate your assistance and no donation is too small! If you would like to donate something to be included in a larger basket please let us know and we will make it happen! Your contribution can be:

**Mailed To:** Jessica Nelson Attention: After Auction PO Box 618 Ramona, CA 92065

**Pick-Up or Delivery:** Organized by contacting Jessica Nelson through email or by phone.

The Ramona Junior Fair, Inc. is a 501(c)(3) non-profit organization. Therefore, donations are tax deductible. Our Tax ID number is 95-3626535.

The Ramona Junior Fair appreciates all donations: past, present, and future. For each item auctioned, we announce every donor by **individual** or **business name**. If you have any questions, please feel free to either call or email me. By supporting the Ramona Junior Fair, you are not only aiding in the enrichment of the lives of our local youth, but you are also investing in children and teens who are developing valuable skills in career and technical industries for future success. In advance, we thank you for your consideration of donating!

With Great Appreciation,

Jessica Nelson
